Soaking Up the Season

As we step into the summer months, there's a renewed sense of energy and optimism across Highfield. The sunshine brings more opportunities for outdoor activities, garden visits, and precious moments with loved ones – all of which we know mean so much to our residents and families.

I'm incredibly proud of the team for the care, kindness, and commitment they show every day. Whether it's creating lovely moments with residents in the garden, supporting one another through challenges, or simply sharing a laugh together – it's these things that make Highfield feel like home.

We've got lots planned this summer, from BBQs to afternoon teas and entertainment in the sunshine – and we look forward to welcoming you too as many of these as possible. Your involvement makes such a difference.

As always, if there's anything you'd like to see more of, please do share your thoughts. We're here to listen, improve, and grow – together.

Wishing you all a safe, sunny and joyful summer,

Luke Owens

Brownie Day

Our lovely residents rolled up their sleeves today and got stuck into some serious baking fun — chocolate brownies were on the menu, and the results were scrumptious! 🍪👍🌟

Big thanks to our official taster, Geoff, who gave them a big thumbs up! 👍😄 “Absolutely delicious,” he declared — and we couldn’t agree more! 🍪👍 There were smiles, laughter, and just a little bit of chocolate on noses... 🍫👉👈

We love seeing our residents enjoying hands-on activities that bring joy (and sweet treats!) to the day. 🍪👍👍
