NEWSLETTER

Hello & Welcome

Welcome to our Summer Newsletter, we hope that you enjoy reading it! I would also like to take this opportunity to say welcome to all of our new residents, along with their families and friends.

We have been very busy at Harton Grange these past few months with a lot going on.

We have been using the new digital care plan system for over half a year now and it is going very well. We have found that the reduction in paperwork has enabled staff to spend meaningful and quality time with our residents. We are still ironing out creases but these are minimal and everyone is in agreement it is a step in the right direction.

As we head into the summer month, we have a lot planned with the departments coming together to provide a range of events for the residents at Harton Grange. Our hospitality and Life Enrichment teams are busy preparing for our Summer Fayre as well as our Hawaiian Party that we hold annually. Any donations for our tombola are greatly appreciated and please see Joy or Matthew to hand any in.

As always I have an open-door policy so if you would like to discuss anything with me directly, please come in and see me.

Dennis Turns 100!

Dennis, a resident at Harton Grange recently celebrated his 100th birthday. We have spent the day celebrating with entertainment and fun. Dennis has had a lot of visits from family and friends and received his telegram from the King as well as gifts and cards. He says his secret to a long life is hard work and that he "never missed a day's graft in his life". He has a huge love for South Shields and loves to talk about the history of the area and how much it has changed over the year. Dennis you are a truly marvellous man and a true gentleman. Happy Birthday!!!

The Wonderful Animals

We have welcomed Andy into Harton Grange who brought in some amazing animals for our residents to see and also handle. There were parrots, lizards, geckos, snakes, chinchilla and so much more. I was so amazing to see them all and we are all excited to welcome Andy and the animals back.

What we've been up to...

GETTING OUT IN THE GARDEN

Over the past few weeks, we have all been busy in the garden creating our new vegetable garden and herb planter. We have all been getting involved and now have radishes, turnips, carrot, onions, lettuce and much more that we are attending to and picking when they are ready. It is great to get outdoors in the sun and fresh air and we all feel it is good for the heart and the soul

SHOWING SUPPORT TO OUR VETERAN

With the 80th anniversary of VE day taking place in May we have all been celebrating and reminiscing about our memories of wartime. We have also been spending time with local veteran at NAAFI break where we take some of our veterans on Wednesday to have tea and breakfast and chat. We all want to give our deepest thanks and gratitude to those who served and are currently serving the armed forces and their family. Lest We Forget

NEWS FROM IN AND AROUND Harton Grange

Fundraising for Our Foundation

Raising money for the Barchester
Foundation is important to all of us
at Harton Grange and we helped
raise the most money in our division.

We won the Foundation Hamper for raising
the highest amount of money supporting our
Regional Director Dannie Tsoneva who took
part in a recent fundraising event for the
foundation where she competed against other
Regional Directors at a Cook Off. The cheque
was presented by two of our residents Irene
and Dennis who recently celebrated
becoming 102 and 100 respectively.

Thank You

From all the team at Harton Grange we'd like to say a
big thank you to you all for all your support and
understanding over the last few months.

CELEBRATING SUCCESS

Last month it was carers week. To celebrate our wonderful
carers, we gifted them a Cadbury's Gift Books filled with
chocolates and sweets. Our carers are the back bone of the
home and their hard work and dedication to caring for our
residents is very much appreciated and celebrated. All of us at
Harton Grange would like to thank them for everything they
do.
