What we've been up to...

The Big Butterfly Count

During August our residents joined in the "Big Butterfly Count" and we were so happy to see a total of 19 butterflies and 6 different species in the half an hour counting time. The totals were uploaded to the Big Butterfly Count website and we look forward to seeing the national statistics when published in the knowledge that some of the numbers are a direct result of our resident's involvement

We had a lovely afternoon in the sun celebrating national prosecco day, there was the welcome addition of strawberry's which really complimented the prosecco.

Anyone for an Ice Cream?

We were recently visited by the ice cream van and the timing was perfect as it was another lovely warm and sunny day. Our residents really enjoyed their ice creams and can't wait for him to return again soon.

Thank You
