Summer Times!

Welcome to the Spennings Court Summer Newsletter.

Time is just flying by. Luckily, we are managing to have some fun times in between the weather being too hot or too wet, we're never happy!

We have lots to look forward to in the coming months, which is always exciting.

Thank you to family members and friends for the continued support to both myself and the Spennings Court team.

We do our very best to make Spennings Court a happy place to live but we don't claim to be perfect. Please speak to a team member if you have any issues or concerns, by working together we can make life better for all. Positive comments are always welcomed, so be sure to share these too.

Enjoy the summer, stay hydrated and safe in the sun.

Paula

What we've been up to...

UEFA European Women's Championship

The gentlemen of Spen Court have been a big support of the Women's Championship.

They have watched match after match and supported them throughout every game. The final was no different, they had their meal in front of the television as they didn't want to miss a thing.

Well done Ladies, we are very proud of you all!

WHOLE TEAM APPROACH!

We each have a different job role but we all make a difference.

All team members interact with residents on a daily basis regardless of what job we do. Spen Court is home to the residents and we are privileged to get to spend time with them. This can be a general chat to assisting within a specific job role, some residents like to help clean up or assist with laundry. Stanley is sharing his terrible jokes with Nikki, Deputy Manager.
