

World Heart Day

with Charity Heartstart Malvern

Monday 29th September
3pm – 5pm

Come along to our informative talk from Heartstart Malvern.

Heartstart Malvern aims to save lives by increasing the chances of surviving a cardiac arrest in Malvern and the surrounding villages by providing free life-saving training and installing Public Access Defibrillators around Malvern.

There will be an opportunity to watch live demonstrations on how to use a defibrillator and speak to volunteers from the charity.

For more information about the FREE EVENT and to reserve a place please email naomi.steward@barchester.com
