Summer of Changes

It's been a busy and exiting time for us all at Archview as we enjoy the warmer weather and get more time outdoors and celebrate our Digital Transformation.

We are now fully established on the Digital Care planning System ENABLE all our hard work transferring all our residents paper care plans has come to fruition with the system running well. You will start to have reviews with the nursing team using the system so will get to see it live and in action. All our staff agree that it is allowing us more time to spend with the residents which is great.

Thank you to everyone that joined us for our Summer Fair it was a huge success and we were blessed with fantastic weather which allowed us to enjoy the celebrations in the Garden as well.

We are very proud of our 2 Divisional Winners in the Barchester Care Awards Slater for Care Practioner of the year and Ahmet for Lifetime achievement this is amazing for them both and we wish them every success in the next stage of the awards the Nationals.

We hope you all will be able to provide us with some valuable feedback in the coming weeks as part of our Tell Barchester Survey that will be launched in April. There will be posters with a QR Code to allow our relatives to provide feedback as well as you hearing from us via email. Our activity coordinators will also be providing time with the residents to help them complete the surveys as well. Feed back is really important to us at Archview and we appreciate you taking time to complete the survey to let us know how we are doing.

Thanks Sarah

Summer Fayre fun

This year's Annual Summer Fayre was a great success. There were many activities going on that day including the BBQ and bar. Games for the families and Sun. It was fantastic and the residents all had a great time.

Our residents in Memory Lane enjoyed a very close visit with the ponies during the day and our Guests enjoyed the BBQ and Bar as well as being able to spend some time with their loved ones out in the sunshine and heat. It was the perfect day for the event and everyone said they had such a good time.

SPOTLIGHT ON...

The Launch of our new Enable system has been a big success. It has been a huge benefit, and makes paperwork easier so as we can focus even more time on our residents

What we've been up to...

Ratho Barge Trip

Residents had a great time on our Barge Trip!

Residents were wowed with some Barge History from the skipper, and enjoyed the relaxing trip along the Canal. There were some beautiful views. Our residents did not let the weather stop them enjoying those views

Trip to Dobbies Garden Centre

We had a little trip to Dobbies Garden centre with residents earlier in the month. They enjoyed the walk around and the café afterward.

NEWS FROM IN AND AROUND Archview Lodge

VIVA LAS VEGAS IS ON ITS WAY!

We are looking forward to the festival season this year!

With our Acts being Glamorous and dazzling we thought we would bring some sparkle to our theme this year so Las Vegas it is. We have the Juggling Gent who juggles anything from hats to meat cleavers and then we have the amazing and Glamorous, Jaqui Randa who will take us through the decades. We will also have a little mini casino themed games room for the residents to enjoy throughout the day too so let's hope they all play their cards right.

Thank You

From all the team at Archview Lodge we'd like to say a big thank you to you all for all your support with our various big events over the last few months.
