Another Magical Month at Newton House

Welcome to our October Newsletter, another month full of fancy dress, fun and good times.

I would like to say a huge warm welcome to all of our new residents and their loved ones, and all new members of staff.

Please be reminded that at Newton House we operate an open-door policy at Newton House Care Home and our door is always open should you need to visit myself, Charlotte and Hazel.

I would like to say a huge thank you to all residents, family and friends who completed the recent 'Tell Barchester' survey.

Your feedback helps us to understand how well we're delivering against your expectations and where improvements could make life here even better.

I would also like to thank Rob Dixon from the Bhive Community for his continuous support and kindness towards our residents and colleagues, also to the students from Priory Ruskin Academy for their hard work and dedication during their work experience at Newton House.

As a home we feel very lucky.

Sonia Fairhurst
General Manager

Life is better when you Dance....

There ain't no party, like a Newton House party and this was no exception! Welcoming the super talented and beautiful 'Jules' for an afternoon of live musical entertainment.

We were very much spoilt as we were also welcomed by Jules's talented Husband Jamie to join in the fun.

In true Newton style it wasn't long before staff & residents were up on their feet and dancing like no one was watching ❤️. It was so beautiful to see the room full of happiness, togetherness and love!

Well-Being Ambassadors visit Newton House ...

Residents eagerly waited for their monthly visit with their friends from Poplar Farm School for a morning of Intergenerational fun and games ❤️

It's always wonderful to see their friendships and confidence blossom throughout the school terms.

Resident Joyce said "I've had a fantastic morning, thank you. Seeing the children always reminds me of my lollipop lady days where I worked for 30 years and loved every minute of it"

Joyce was delighted to talk to the students about her job and it was lovely to see them listening with joy.!

Rocking all over the world!

Such a fun day for our themed day all around Rock N Roll. Residents started the day off with a fun seated workout this morning before a delicious lunch.

After lunch we all united together as we welcomed the super talented & absolutely fabulous duo that is KJ & The Catt! Not only do they bring so much fun, they deliver the most person-centred performance that brings such a sense of belonging to each and every person in the room ❤️

We had toe tapping, hand clapping and a glorious performance from Resident Mike which made our hearts so full.

Coffee Date for the ladies.....

The ladies were delighted to hop on the minibus for a lovely visit to Belton Garden Centre, it was wonderful to see all of the beautiful festive displays

No trip to the garden centre is complete without visiting their beautiful restaurant.

Jean said "Thank you for a splendid morning, it really has been a pleasurable experience"

What we've been up to...

Pumpkin Spice.... And all things nice!

Residents got a little bit crafty, as we set about painting some colourful pumpkins in preparation of our Halloween Party.

We certainly have some Picasso's at Newton House with some beautiful creations produced, using a variety of colours and brushes.

Celebrating World Mental Health Day

The 10th October is known as World Mental Health Day, not only did we dedicate our life enrichment programme to this day, but we also welcomed the incredible Maria-Ilinca & James from the NHS Talking Therapies for residents & staff to explore their services & see what help is available.

It was wonderful to have our fabulous guests join in with our Newton House Choir, which was followed by their monthly residents meeting.

A great opportunity to come together and discuss life at Newton House.

A Dream come true for Marilyn!

Since moving into Newton House, resident Marilyn would often speak about her wonderful memories of the Peak District and how she wishes she could go again one last time. As part of our 'Wish Initiative', we just instantly knew we had to make this dream become a reality for the lovely Marilyn, and give her some more wonderful memories that she can cherish 😊

After planning our route, we all jumped in the bus, ready for a very exciting day! With the most beautiful scenic drive through Woodhead Pass and Snake Pass, Marilyn was beyond happy taking in all the nature, and was also excited to point out all the places she had visited before! We made sure to take a stop at the Derwent Water tourist centre for a nice cup of tea & a picnic whilst taking in the picturesque sights 🌸

We were very delighted to be able to create this special day for Marilyn

Thank You

From all the team at **Newton House** we'd like to say a big thank you to you all for all your support and understanding over the last few months. We'd love you to leave us a review if you haven't already on Google or on [Carehome.co.uk](https://www.carehome.co.uk)
