## Autumn Newsletter

Dear All,

Firstly, thank you everyone for your continued support. Our Tell Barchester survey is live and for those that have responded – thank you, this is the last week and invite you all to take part, it is really easy simply scan the QR code displayed on posters around the home. Your feedback is important to us.

Now the children are back at school and the seasons change, we thought it would be a good idea to update everyone with what we have planned for the coming weeks/months!

We are still planning all of our regular and popular events from bingo, keep fit session to musical entertainment but we are currently planning for themed autumnal activities from crafting to a very special spooktacular event for Halloween – we hope to see you there!

We shall also be out and about in the mini bus, with various trips planned to a selection of our favourite locations including on the 16<sup>th</sup> October an afternoon concert at St. Chad's church in York with a number of our residents who have expressed an interest in attending.

As we move closer to Christmas, we are looking forward to shopping trips and carol services, both within our home and out in the community for everyone to enjoy, and we are also looking forward to visits with pupils from our local nurseries and schools.

As always you are more than welcome to attend any activities!

## LET'S TALK *facebook*

Recently we showcased our mini bus trips to Thirsk Garden centre – a new destination for us, one we shall defiantly be going back to soon!

We also took a group of gentlemen to Murton Park which brought back a lot of memories for John who turns 99 soon as he climbed aboard the display tractor and Gerry who used to volunteer there who enjoyed seeing projects, he himself had worked on, he really enjoyed catching up with old friends too.
