## NEWSLETTER

## MOVING INTO AUTUMN

We have had a lovely Summer here at Scarborough Hall, with glorious days of warmth and sunshine making it a pleasure to be out in the garden and residents have enjoyed regular garden walks and some al fresco meals. Activities have included outings to the seafront, Scalby Manor, nature walks, picnics and garden social parties. The keen gardeners here at the Hall have been busy with plant care and watering.

Now Autumn has come some of our young staff have embarked upon the next stage of life and gone off to university and we wish them every success in their studies and hope to see them again during the longer holidays. We welcome all new staff to Scarborough Hall and hope that they are happy in their work here.

The Activity Team has been busy organising future events so we should have plenty of things to look forward to in the coming weeks. We would ask if any of you have empty glass jars & shoe boxes if you would kindly bring them into the home for us to use on our next project. Do please come along to any event that appeals to you as residents love to have the company of relatives, children and family dogs. Visitors make Scarborough Hall feel lively and with that in mind our relationship with the Green Hedges Nursery is important to keep those intergenerational connections strong. If you have any suggestions for outings or activities for your loved ones, please do contact the activity team at

24<sup>th</sup> – Relatives Meeting

## LET'S TALK VISITS

It's important to us here at Scarborough Hall to welcome visitors and those professionals who work so hard on our behalf.

In September we had a visit from the Fire Services on Emergency Services Day. They gave a talk about their training routines and activities and let us know how they were tackling the summer fires on the North York Moors. Residents went out to inspect the fire engine and we gave them bacon and sausage sandwiches and a basket of treats to take away.

## CLOSE ENCOUNTERS.....

Reptiles! .....

We have regular visits from Reptile World Zoo who bring into the home a collection of reptiles for us to hold & look at. They always bring in a selection of snakes, lizards & tortoises

### OUTINGS

We have had some lovely outings and residents have enjoyed pub meals out in the sunshine.

### ART

Residents are still visiting 'A Space to Be' at Scarborough Art Gallery, so that they can express themselves creatively. This is in addition to the regular Craft Clubs we have at Scarborough Hall.
