Merry Christmas!

It's Christmas again, hasn't this year flown by, and what a year it's been! We have done so much this year both with our residents and in improving our home.

As always Christmas is a very busy time for us and we have lots planned to keep busy and celebrate in style; including musical entertainment with returning home favourite performers, trips out for the local tinsel tractor run and to see the local Christmas lights.

There is something for everyone.

You are welcome to join your loved ones in any activities that interest you.

I hope to see you soon, and as always myself and Lynette are here if you need us,

so please don't hesitate to contact us.

Welcoming the RBL

Our home was privileged to welcome guests from the Ripon branch of the Royal British Legion.

In attendance was President Mike Chambers MBE, Branch Chairman Ian Smith, and Secretary Paul Graham who joined our residents for this special community veterans' event.

It was a pleasure to also welcome Nathan from Radfield Home Care Harrogate, Wetherby & North Yorkshire to our event.

The event hosted by the home provided an opportunity for residents to share stories, reflect on service of themselves and their loved ones.

Children in Need

Today to help raise funds for children in need, staff, residents and relatives wore pyjamas for the day! Followed by lots of fun activities throughout the day. We raised a total of £25 to help towards children in need, a huge thank you to all involved

What we've been up to...

Community Networking Event

we were delighted to host a local networking event at the home.

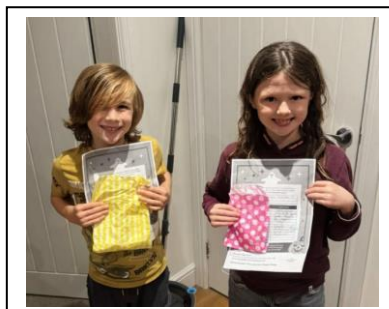

The networking lunch event brought together representatives from Dementia Forward, The Rainbow Care Group- HQ and North Yorkshire Police

We were also thrilled to welcome back Irene from the Thirsk Yarn bombers visitors book as special guest speaker as she spoke about the incredible and selfless work taking place in and around Thirsk.

Halloween Community Fun

Our Halloween Trail is in full swing and it's been a delight to welcome the local children to the home who have participated so far.

Our residents and colleagues have loved welcoming the local community into the home and gifting the children with a selection of sweet treats.
