Choose the right colours to lift your mood this Christmas!
Join us for a relaxed and inspiring talk on the impact of colour and how wearing
the right tones can make all the difference.
Whether you've lost your style spark for this Christmas or you're
simply curious about colour analysis, this session will leave you
thinking differently about your wardrobe for this coming festive
season.

Style isn't about size, it's about harmony, energy and self expression.
Come along and learn how to wear colour with confidence, no fashion
fluff, just friendly advice. Call us now to book your place!
