Exceptional Tell Barchester customer feedback!

Happy new year to each and everyone one of you. We started 2026 off on a high as we celebrated some exceptional customer feedback from Tell Barchester.

Tell Barchester is a customer survey, that is used across Barchester Healthcare. The survey is an opportunity to gather the opinions of the people living in Barchester's homes and hospitals, along with those of their families and loved ones, in order to learn and improve.

100% of our residents at Cookridge Court stated that they would recommend the home to a friend. In the six different areas of the survey covering people, care, environment, activities, dining and communication, the home consistently scored over 77% - which is amazing and me and my team are so proud to receive such brilliant scores.

I hope you all have a healthy and happy 2026, the Cookridge Team are looking forward to making some amazing memories this year, with some fabulous activities and events planned ahead – please do keep an eye out for these. As always, my door is always open, if you do need to speak to me about anything.

Thank you

Vicki

Christmas at Cookridge Court

We had a wonderful Christmas period at Cookridge Court with so many activities that took place. We had some amazing intergenerational activities, connecting with the local school that surround use, who came to visit and perform to us. Our Christmas part went down a treat with many families and friends joining us for the festivities, creating some wonderful memories for us all to cherish. Finally, Christmas day was filled with a visit from the big man himself, delivering individual gifts to each and every resident's, fulfilling that Christmas spirit.

What we've been up to...

Exercise Sessions

We love our sessions with Lynn from Guiseley Community group, who visit's us weekly and host a fabulous exercise class for everyone to take part in.

Exercise in our elderly generation, helps improve physical health by building muscle strength and increases mental wellbeing, along with being sociable and fun.

Baking Club

New to 2026, we have started up our very own baking club for all the keen baker's we have living at Cookridge Court. This is monthly club and is open to everyone to come along and take part, socialise and have fun. January saw the club bake some homemade chocolate chip cookies...YUM! The finish product definitely went down a treat!
