

## *General Manager Focus*

## Hello & Welcome

Welcome to our Winter Newsletter, we hope that you enjoy reading it! I would also like to take this opportunity to say welcome to all of our new residents, along with their families and friends.

As we move into the summer months, there has been lots of positive work taking place behind the scenes to support both residents and staff. We continue to focus on maintaining high standards of care and ensuring the home remains safe, welcoming, and well organised.

We are pleased to share that several members of the care team are currently undertaking their Health & Social Care NVQ qualifications, reflecting our ongoing commitment to staff development and continuous improvement. Supporting our staff to grow their skills and knowledge remains a priority, as this directly enhances the quality of care and support provided to residents.

The activities team are continuing to plan and deliver a varied programme of seasonal activities, ensuring residents have opportunities to remain socially engaged, stimulated, and supported throughout the summer months. Activities are planned with residents' interests and preferences in mind, and we welcome feedback to help shape future plans.
