A Fabulous February

Welcome to our February Newsletter, another month full of fancy dress, fun and good times.

What a fantastic month we have had at Newton House, as we celebrated the month of love!

I would like to say a huge warm welcome to all of our new residents and their loved ones, all new members of staff and new volunteers. Also, a huge thankyou to our local community for the support that you continuously provide to help enrich the lives of all residents residing at Newton House.

We will soon be continuing with our ongoing refurbishments at Newton House, with new solar panels being installed on the Brownlow and Somerby community. This will mean that the car park will be busier than usual, we would like to apologise in advance for any disruptions caused during this time.

Your first Relatives meeting will be held on Wednesday 4th March 2026 at 2pm

Please be reminded that at Newton House we operate an open-door policy at Newton House Care Home and our door is always open should you need to visit myself, Charlotte and Hazel.

NEWS FROM IN AND AROUND Newton House

A beautiful Valentines

Newton House was filled with love, laughter and so many special moments as we celebrated Valentine's Day together. Welcoming the fabulous Steve Carmel for a morning of love songs, residents enjoyed music, valentines drinks trolley and wonderful company!

There were smiles all around and plenty of dancing and singing along, it was the most magical of mornings and Mike loved performing for his peers with Steve.

It was beautiful to see everyone enjoying themselves and sharing stories, with Margaret saying "The secret to a good marriage is trust, if you can't trust each other it would never work"

Prosecco & Painting

Whilst the first glasses of Prosecco were being poured, we eagerly set up our materials for a fun new activity.

The coffee lounge was full of smiles, chat and excitement as everyone picked up their brushes and got stuck in. It was wonderful seeing everyone's confidence grow as they put paint to their canvases, and enjoyed each other's company.

Dementia Disco!

We can't stop smiling, after such a wonderful morning hosting another Dementia disco at Newton House.

As always, the dance floor was full, and the joy was absolutely contagious! Dancing and singing along to classic hits and brilliant dance moves, made it a morning filled with laughter, connection and beautiful moments.

Seeing so many happy faces is exactly why we love hosting activities like this

A huge thank you to the amazing Rob Dixon for providing us with delicious sweet treats for this wonderful event!

Beautiful Moments...

Our lovely Joan spent time gently plaiting Care Assistant Kelise's hair, chatting, laughing and enjoying each other's company.

These meaningful interactions make our residents day brighter and remind us that care is so much more than a job... it's relationships, smiles and shared moments

What we've been up to...

Celebrating Real Bread week

We had so much fun making our very own delicious bread rolls for residents to enjoy over lunch. With lots of laughter because the flour had a mind of its own and some wonderful discussions, talking about our favourite breads and the soups that would go perfectly with them.

Simple ingredients, big laughs, and wonderful company is the best recipe of all

Happy Pancake Day

We celebrated Pancake Day at Newton House with a full-on pancake decorating session!

With a variety of delicious toppings, syrup flowing freely and some very creative pancake masterpieces.

It's Safe to say we had a delicious time!
