General Manager Focus

Hello!

As we reflect on February, I want to thank everyone, our residents, families, and dedicated team for making it such a positive and engaging month in our home. From meaningful activities and themed events to quiet moments of connection and care, it was wonderful to see our community spirit shine through in so many ways. We celebrated special occasions, and continued to focus on providing the highest standards of comfort and wellbeing for those who live with us. As we head into March, there is so much to look forward to, with new activities, seasonal celebrations, and opportunities to spend time together as a community. Thank you for your ongoing support and involvement. I am excited for all that the coming month will bring.

Warm regards,

Katya Petrova

A WISH CAME TRUE!

At Wood Grange Care Home, we love making wishes come true. One of our lovely residents, Patricia, has a true passion for William Shakespeare, so our Activities Team were delighted to arrange a special trip to the Peterborough Showcase to watch Hamnet, the powerful new film inspired by the life and work of Shakespeare. It was a fantastic experience and Patricia thoroughly enjoyed every moment. Hamnet is such a moving and powerful film, and the trip made for a very special and memorable day. Seeing all the ladies so happy and engaged reminds us why we do what we do.

SNOWDROPS WITH PETE

A huge thank you to Pete for visiting us at Wood Grange and delivering such a fascinating talk on snowdrops. Our residents absolutely loved learning more about these beautiful flowers, and it made the experience even more special that Pete kindly brought in snowdrops from his own garden to share with us. They were truly admired by all and sparked lots of lovely conversations.

NATIONAL PIZZA DAY

To celebrate National Pizza Day this month, we had a lovely visit from Westfield Primary School and spent time decorating yummy pizzas together, ready for residents to enjoy for tea!

It was such a special time, full of conversation, helping each other, and lots of smiles all round. Moments like these really show the joy of coming together.

VALENTINES DAY

Each of our wonderful residents received a beautiful rose to start the celebrations, a small gesture that brought so many smiles. We then enjoyed a delicious lunch together. The highlight of the afternoon was a fantastic performance by the Ukulele Orchestra.

What we've been up to...

OUTING TO WARNERS

We had the pleasure of visiting Warners for an incredible factory tour with the brilliant Michael Warner and what an experience it was! From the initial design stages right through to the finished product rolling off the press, it was fascinating to see the level of precision and technology involved! We're so grateful for the warm welcome and hospitality.

Thank you again, Michael and everyone at Warners, we had a brilliant time!

JO JINGLES SESSION

We were delighted to welcome Jo Jingles for a wonderful intergenerational session, bringing together our residents and little ones for a morning full of music and smiles. Singing the nursery rhymes brought back so many memories, our residents knew all the words and sang along beautifully! It was amazing to see how the music transported them back in time, with smiles lighting up the room.

Happy Pancake Day!

The Baston dining room turned into a full-on decorating station. Bowls of strawberries, flavoured sauce, honey, lemon and sugar... absolutely no restraint shown whatsoever. There's something about Pancake Day that just brings out everyone's inner child. Safe to say they were decorated with love... and eaten even faster! What's your go-to topping? classic lemon & sugar or full dessert mode?

Thank You
