

Activities Coordinator Focus

It has been a truly wonderful and enriching time here at Fairview, filled with joy, creativity, and meaningful experiences for our residents. We have been delighted to offer a wide variety of activities that promote life enrichment, connection, and fun for everyone involved.

Over the past months, we have celebrated a number of special occasions together, including Valentine's Day, Mother's Day, International Women's Day, and St. Patrick's Day. Each celebration brought smiles, laughter, and a strong sense of community throughout the home.

Our residents also enjoyed getting back to "Boogie in the Bar" bringing music and dancing back into their routine—a highlight for many! In addition, we organised several memorable outings using our minibus. These included a fantastic trip to Comic Con, a visit to the University of Aberdeen, and relaxing outings to local parks and gardens. One particularly special trip was to Forest Farm, the oldest organic dairy farm in Scotland, which was both educational and enjoyable for our residents.

Within the home, residents continue to take part in a wide range of engaging activities such as arts and crafts, bingo, baking club, Gentleman's Club, Ladies Club & Church Services. These sessions are always filled with creativity, laughter, and a wonderful sense of accomplishment.

We are also excited to have launched our new Community Engagement initiative, where we celebrate different countries by showcasing their culture, traditions, and food. Our first event focused on India, which was a great success, and we are already looking forward to planning our next country-themed experience. Looking ahead, we have some exciting events on the horizon. We are especially looking forward to our much-anticipated Hollywood Musical, which will be performed by our talented staff members. This promises to be a fantastic and entertaining event for everyone.

Additionally, we are preparing for intergenerational community engagement activities, where children from Step by Step Nursery and Danestone Nursery will visit the home. Together with our residents, they will enjoy arts and crafts sessions and storytelling, creating meaningful connections across generations.

At Fairview, we remain committed to ensuring our residents are always engaged, inspired, and involved in activities that bring joy and enrichment to their daily lives. We look forward to many more memorable moments ahead.

Thank you all for your continued support and the positive feedback you share—it really does keep us going!

Our staff team bid George a fond farewell after his respite stay came to an end. We all deserve a break every once and a while this is especially true for carers and those being cared for.

Respite care can make a big difference to a person's health and well-being. It has been a pleasure having George in the home and we wish him all the best.

NEWS FROM IN AND AROUND Fairview House

Our residents had a fantastic time celebrating the Indian Community Engagement through music, dance, and delicious treats. They especially enjoyed the traditional performances and even joined in the dancing! Our staff prepared wonderful Indian desserts that everyone loved.

Our Residents celebrated St Patrick's Day with a fantastic atmosphere. Live entertainment made it extra special, with music, dancing and great company.

Winter Olympic week at Fairview has been a hit! Our residents enjoyed participating in a variety of fun, friendly games throughout the week, showing great spirit, laughter, and teamwork along the way!

Thank You

From all the team at **Fairview House** we'd like to say a big thank you to you all for all your support and understanding over the last few months. We'd love you to leave us a review if you haven't already at <https://www.carehome.co.uk/carehome.cfm/searchazref/20006025FAIA>

CELEBRATING SUCCESS

Congratulations to Fairview team for winning Barchester's Services to Celebrate Award once again! The last time we achieved this was in March 2025, so it's extra special to see this recognition return in January 2026. Well done to everyone involved for your continued dedication and hard work.
