Celebrating life

General Manager Focus

Firstly I would like to welcome all new residents, loved ones and staff to the home- it is always lovely to see new faces here at Rose Lodge.

We have had lots of lovely things go on in the last couple of months including Burn's night, Valentine's Day and Mother's day- all of which we have enjoyed celebrating with you.

As the evenings get longer and we finally start to see the sun again we continue to plan enjoyable and engaging things for you to do including Easter themed activities.

Please do let us know if you have any specific things that you like or wish to try that we are not currently offering and also any special wishes as we would love to help grant them for you.

Wishing you all a Happy Easter

Best Wishes

Celebrations in The Home

World Book Day

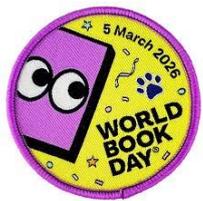

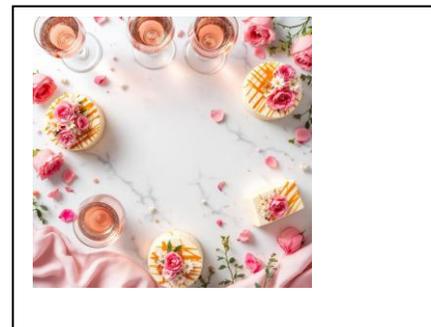

Residents enjoyed a surprise visit from Barchy Bear over the weekend to help celebrate World Book Day. Barchy brought along his own bed time story book called "The Things I Love About Bedtime" by Trace Moroney.

All our residents were so happy to meet Barchy and wanted to have their photo taken with him. Ruby said she used to read to her children at night for a bed time story and they would choose the book they wanted and then fall asleep. Alice was happy to read the book as she said "its such a long time ago that I read a bed time story to my children

International Women's Day

We celebrated our inspiring women in our home with entertainment by KJ and the Catt residents marked the occasion with lots of singing and dancing, all while wearing their favourite hats. The room was filled with smiles, music and plenty of happy memories as everyone joined in dancing and singing along

Arts and crafts

To celebrate the occasion Vera and Roz wore their hats while Debbie from Gratitude 43 led our group in some St. Patrick's Day designs.

We had a fabulous morning of arts & crafts and as always there was lots of chatter and laughs as we got creative. Thank you Debbie for a lovely morning

Pub Outing

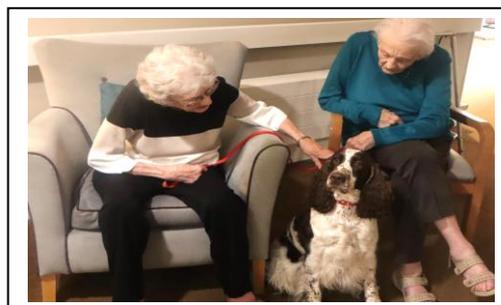

Residents enjoyed a trip out to our local king of hearts pub in West Walton for a delicious pub lunch. Everyone's favourite choice was scampi and chips, followed by apple pie and custard.

Betty, Roz and Aubrey really loved socialising and chatting to the lady who was serving our table.

Betty said it's a long time since she has been in a pub and how things change.

Pet Therapy

Lana and Willow take it in turns to come and visit us so we are doubly lucky! They are also Crufts champions, and residents loved hearing all about their past wins while enjoying watching this year's Crufts together. It made the visit even more special!
