BARCHESTER HEALTHCARE

Ear Health Event

Thursday 27th August 2.00pm

Learn from specialists how you can improve the performance of your hearing. The types of hearing loss you may experience, treatment for hearing loss, what is involved with a hearing test and much more in our upcoming event.

Join this event to learn from our guest speakers from Sussex Audiology Centre, Eastbourne, who will make us all aware of the technological advances available to improve our hearing.

RSVP by contacting rob.hobbs@barchester.com
